

**Amendments To The Specification**

Please delete the Table of Contents at pages (i)-(iii) of the application.

Please replace the specification, beginning at page (1) with the substitute specification submitted herewith. The substitute specification is provided to (1) update the status and relationship of the priority documents; (2) delete the Table of Contents; (3) adopt section headings suggested by the examiner; (4) capitalize names of trademarked material, and (5) identify the current location of the American Type Culture Collection.
